

Heart Dive Bible Study Approach:

Preparing your heart for God's Word matters. Clear some space in your heart—set aside worries and distractions. Make room for God's spirit by being open and ready to hear His message in the Bible.

Next Steps:

1. Open your time in prayer and ask for revelation.
2. Read and highlight important scriptures.
3. Consider the context, including author, date, audience, and main points.
4. Application - what about God's heart, character, and nature is being revealed?
5. What scripture specifically spoke to my heart that I can meditate on throughout the week?
6. Are there any convictions?
7. What is the big picture of today's scripture reading?
8. Close in prayer.
